

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is an betrayal of the public trust. Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. This one sided, blatant electioneering on the part of the Sinclair Broadcasting management group is unacceptable behavior that you must stop! Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
